

# COCKBURN'S LATE BOTTLED VINTAGE 2019

Cockburn's has always questioned the so-called 'rules' for making port. Founded in 1815 by the Scottish brothers Robert and John Cockburn, they were guided by their conviction that "the quality of the wine – that is the first thing to be looked to" – and we've done our own things ever since.

## O VINHO

Late bottled vintages (LBVs) are wines so elegant, so complex, and so sophisticated that they really are a little bit magical. Sourced from Quinta dos Canais – the same Douro Superior vineyard that produces our acclaimed Vintage Ports, – our LBVs are aged in large oak vats for four to six years before being bottled, ready to drink. This wine is a real crowd pleaser and is meant to be shared, enjoyed, and savoured.

## O ANO

We experienced a very dry and mild winter and spring, and by late summer, the vines were in need of water to keep maturation on track. Fortunately, the near absence of rain from May to late August was balanced by cooler summer conditions, which helped mitigate the water shortage. In late August, some timely rain rehydrated the vines just before the harvest. Ideal conditions continued throughout September, with clear sunny days and moderate temperatures contributing to balanced ripening. Yields were above the ten-year average, which was a welcome change after the particularly small harvests of 2017 and 2018.

## HARMONIZAÇÃO

Pairs perfectly with stronger, hard cheeses, or alternatively dark chocolate desserts such as mousse or tart. A fitting companion for after dinner conversations that stretch on long into the early hours.

## COPO

Best served in a reasonably sized Port wine glass or a white wine glass

## LONGEVIDADE APÓS ABERTURA

Consume within four to six weeks of opening.

## INFORMAÇÕES

Enólogo: Charles Symington and Ricardo Carvalho.  
Teor Alcoólico: 20 %  
Acidez Total: 3.9 g/L (ácido tartárico)  
Baumé: 3.6 °  
Alérgenos: Sulphites  
Peso da Garrafa: 600 g
